Reference list is to include company name, contact person, telephone number and email address, and summary of work performed.
1. Acceptance and Term. Contractor accepts these terms and conditions by starting work after receiving the University’s Contract for Professional Services (“CPS”) or by not objecting to these terms and conditions within ten (10) days after receiving the CPS. This Agreement is effective on the date indicated on the CPS and will remain in effect until the date indicated on the CPS, until all obligations set forth in this Agreement have been fulfilled, or the Agreement has been terminated, whichever occurs first. ANY WORK PERFORMED PRIOR TO THE EFFECTIVE DATE WILL BE PERFORMED AT CONTRACTOR’S OWN RISK AND AS A VOLUNTEER.

2. Scope of Work. Contractor will perform all of the services and supply goods (if any) set forth in the CPS (“Services”) and any exhibits attached thereto (“Scope of Work”). Time is of the essence. Contractor will meet all milestones indicated on the CPS and Scope of Work.

3. Consideration and Terms of Payment. University will pay for all Services as follows:

3.1. Total Obligation. University’s total obligation to Contractor will not exceed the amount indicated on the CPS without University’s prior, express written approval. Reimbursement requests must be itemized and accompanied by receipts. Travel expenses must be consistent with University’s travel policy, https://policy.umn.edu/finance/travel.

3.2. Invoicing and Terms of Payment. Contractor will submit invoices upon completion of milestones described in Exhibit A, or as provided in Exhibit A. University will pay such invoices thirty (30) days after receipt of Contractor’s invoice.

3.3 Taxes. University will generate a 1099-MISC for fees and reimbursed expenses to individuals, sole proprietors, partnerships, and LLCs, and will report such amounts to the IRS. Reimbursed expenses may be deductible on the Contractor’s tax return. Contractor should contact its tax advisor with questions or for advice. University may be required to withhold state and federal taxes from the compensation, such as, but not limited to, Minnesota state entertainer tax and nonresident withholding tax, federal withholding on payments to foreign nonresident aliens, and federal backup withholding. See Section 4.23.

4. General Terms and Conditions. These terms and conditions will govern and control over different or additional terms and conditions Contractor may have included in any document provided to University. Handwritten changes on this document will be ignored and have no effect unless initialed by both parties. If this Agreement was made pursuant to a Request for Proposal (RFP) or Request for Bid (RFB), the following order of precedence will apply: (1) this Agreement and its Exhibits, (2) RFP or RFB, and (3) Contractor’s Response to RFP or RFB.

4.1. Choice of Law, Forum Selection, Entire Agreement, and Amendment. This Agreement will be construed under Minnesota law, without regard for choice of law considerations, and the University’s policies and procedures. Any action arising out of this Agreement will be heard by a court in Minnesota. Contractor consents to jurisdiction in Minnesota. This Agreement is the parties’ entire agreement and understanding and replaces any prior or contemporaneous agreement, written or oral. Any Amendment to this Agreement must be documented by University’s Change Order (“Amendment”). Further, if Services are being procured with federal funds, the requirements set forth in Exhibit B.
are incorporated into this Agreement. In addition, if the price is in excess of $10,000, **University and Contractor shall abide by the requirements of 41 CFR 60-741.5(a), which prohibits discrimination against qualified individuals on the basis of disability, and requires affirmative action by covered prime contractors and subcontractors to employ and advance in employment qualified individuals with disabilities.** If the price is in excess of $100,000, **University and Contractor shall abide by the requirements of 41 CFR 60-300.5(a), which prohibits discrimination against qualified protected veterans, and requires affirmative action by covered prime contractors and subcontractors to employ and advance in employment qualified protected veterans.** Also, if federal funds are being used, Contractor must fill out the form required by the Federal Funding Accountability and Transparency Act, Pub. L. No. 109-282. If federal contract funds are not being used, Contractor will not receive Exhibit B.

4.2. Warranty. Contractor warrants (i) it is not debarred or suspended from doing business with the federal government, and it will notify University if it becomes debarred or suspended; and (ii) the Services will be of professional standards and quality; are free from defects in material and workmanship; are the quality, size and dimensions ordered; comply with Contractor’s representations in any advertisement, correspondence, response to University’s RFP or RFB, or other document provided to University; comply with all applicable laws, codes and regulations (including any published by any national or statewide association or groups); and are not restricted by patents, copyrights, trade secrets, or other rights of third parties. If any warranty is breached, Contractor will correct the breach at its sole expense, and University reserves all rights and remedies. The foregoing warranties will not be deemed waived by reason of University’s acceptance of the Services.

4.3. Inspections and Delivery. University will have a reasonable time (not less than thirty [30] days) after receipt to inspect and test Services and reject any or all nonconforming items. Services rejected or in excess of quantities ordered may be returned at Contractor’s expense. University reserves the right to refuse any Services and to cancel all or part of this Agreement if Contractor fails to deliver all or any part of the Services. If University accepts nonconforming or defective Services, in addition to its other remedies, University may deduct a reasonable amount from the price to compensate University for the nonconformity.

4.4. Assignment. Neither party may assign any part of this Agreement without the other’s express, prior written consent. In the event of any assignment, the assignor will remain responsible for its performance and that of any assignee. This Agreement will be binding upon each party and its successors and assigns. Any attempted assignment in violation of this Agreement will be void. Notwithstanding any notice of assignment, University’s tender of payment to Contractor or to any person University reasonably believes to be entitled to payment, will satisfy University’s obligation to pay. In no event will University be obligated to pay twice or be liable for any damages due to failure to pay the correct party.

4.5. Taxes. University is exempt from paying certain Minnesota sales and use taxes. Minn. Stat. § 297A.70. Contractor will not charge University for such taxes. Alternatively, Contractor will be responsible for payment of any and all sales taxes relating to the following items: construction materials, leased motor vehicles, food and lodging. Contractor will promptly reimburse University for such taxes University pays on Contractor’s behalf, including penalties, damages, interest, and expenses (including attorneys’ fees) resulting from Contractor’s failure to properly remit or reimburse University for such taxes.
4.6. Risk of Loss. Risk of loss will pass to University upon actual receipt and acceptance, at the University destination. Contractor assumes responsibility for packing, crating, marking, transporting and loss or damage in transit, notwithstanding University's agreement to pay freight, express, or other transportation charges.

4.7. Use of Name or Logo. Neither party will use the name, logo, or other marks (including, but not limited to, colors and music) owned by or associated with the other or the name of any representative of the other in any sales promotion work or advertising, or any form of publicity, without the written permission of the other. Permission from the University must be obtained from University's Office of University Relations in each instance.

4.8. Termination. University may terminate this Agreement in whole or in part for its convenience. Upon notice of such termination, Contractor will immediately stop all work, including shipment of goods, and cause its suppliers and subcontractors to cease work for this Agreement. In the event of such termination, Contractor will be entitled to payment, calculated on a pro rata or other equitable basis, for Services satisfactorily performed. In no event will Contractor be paid for work performed or costs incurred after receipt of notice of termination, or for costs incurred by suppliers or subcontractors which reasonably could have been avoided.

University may terminate this Agreement in whole or in part for cause upon seven (7) days written notice if Contractor fails to comply with any material term, condition, or requirement of this Agreement or becomes insolvent or files for bankruptcy protection. In this event, University will not be liable to Contractor; Contractor will be liable to University for all losses, damages, and expenses, including, without limitation, excess cost of reprocuring similar Services; shipping charges for items University may at its option return to Contractor, including items already delivered; and amounts paid by University for any items University has received but returns to Contractor. If a determination is made that University improperly terminated this Agreement for cause, such termination will be deemed to have been for University's convenience.

4.9. Independent Contractor. The relationship between the parties is solely that of independent contractors, not partners, joint venturers, employees, agents, or otherwise. Neither shall have any authority to bind the other in any manner, and shall not represent or imply that it has such authority. Each party will pay when due all required employment taxes and tax withholding and acknowledges that it and its employees are not entitled to tax withholding, workers’ compensation, unemployment compensation or any employee benefits, statutory or otherwise. Each party is solely responsible for the acts of itself, its employees and agents.

4.10. Non-Waiver. No waiver by a party of any default or nonperformance will be deemed a waiver of any subsequent default or nonperformance.

4.11. Audit and Retention of Books and Records. University may inspect and copy books, records, and documents (in whatever medium they exist) and accounting procedures and practices of Contractor, its agents, and subcontractors solely to verify Contractor's performance and all expenses submitted pursuant to the terms of this Agreement. Contractor will make such items available for inspection during normal business hours at Contractor's place of business. All such items will be retained by Contractor during the term of this Agreement and for a period of three (3) years after the delivery of the Services. Any items relating to a claim arising out of the performance of this Agreement will be retained by Contractor, its agents and subcontractors, if any, until the claim has been resolved.
4.12. Limitation of Liability. IN NO EVENT WILL A PARTY BE LIABLE FOR ANY INDIRECT, CONSEQUENTIAL, INCIDENTAL, LOST PROFITS OR LIKE EXPECTANCY DAMAGES ARISING OUT OF THE AGREEMENT. UNIVERSITY’S MAXIMUM OBLIGATION UNDER THIS AGREEMENT WILL NOT EXCEED THE AMOUNT SET FORTH IN SECTION 3.

4.13. Changes. University may, by written notice, change drawings, designs, specifications, materials, packaging, and the time and place of delivery and/or completion of the Services. Promptly upon receipt of such notice, Contractor will either advise that the change will not affect its costs, or furnish: (i) a breakdown of estimated cost and changes in the compensation attributable thereto, and (ii) a statement of any necessary changes in the time of completion. Contractor’s failure to advise University in writing within ten (10) days of the effect of any such change will constitute Contractor’s agreement to the change without change in the amount to be paid, time of completion, or other terms and conditions of this Agreement.

4.14. University Information. Contractor agrees that any information it receives which concerns personal, financial, or other affairs of University, its regents, officers, employees or students will be kept confidential and in conformance with all state and federal laws relating to data privacy, including, without limitation, the Minnesota Government Data Practices Act, Minn. Stat. Ch. 13 (“DPA”). Within fifteen (15) days of the completion or earlier termination of this Agreement, or upon earlier request of University, Contractor will return all documents, data and other information provided by University to Contractor. Upon University’s request, Contractor will destroy all copies of data, documents, or information provided by University and provide University with proof of such destruction. Contractor will comply with DPA as it applies to data created, collected, received, stored, used, maintained, or disseminated by Contractor or provided by University under this Agreement. The civil remedies of Minnesota Statutes § 13.08 apply to the release of the data referred to in this Article by either Contractor or University.

4.15. Intellectual Property Rights. “Works” means creative writings, research data and reports, writings, sound recordings, pictorial reproductions, drawings, film and video recordings, and other graphical representations, software, business methods, inventions, improvements, and discoveries, and works of any similar nature (whether or not eligible for copyright, trademark, patent or other proprietary rights), which Contractor prepares and delivers under this Agreement. University will exclusively own all Works and all copyrights, trademarks, patents and other proprietary rights in the Works. All copyrightable Works will be considered “work made for hire.” If the Works may not be considered work made for hire under 17 U.S.C., §§ 101 and 201(b), Contractor will assign all rights Contractor may have in the Works to University without further compensation. Contractor waives any and all statutory moral rights in the Works which Contractor may have under 17 U.S.C. § 1006(a), as well as any rights arising under any other federal, state, or foreign law that conveys any other type of moral right. Contractor will, without further compensation, disclose information to University and execute such documents as may be reasonably necessary to assist University in securing and enforcing rights in the Works and related proprietary rights.

4.16. Insurance. Unless more specific insurance provisions are attached, the following will apply. At all times during its performance under this Agreement, Contractor will obtain and keep in force:

i. Commercial General Liability insurance including coverage for bodily injury and property damage with limits not less than $1,000,000 each occurrence and $2,000,000 annual aggregate.

All such policies will provide for thirty (30) days’ written notice to University prior to cancellation or non-renewal. Contractor’s insurance must be primary and non-contributory with regard to any insurance or self-insurance maintained by University. 4.21. Rights of the Federal Government to Inventions Made Under a Contract or Agreement. To the extent this Agreement involves the performance of experimental, developmental, or research work, the rights of the Federal Government and University to any resulting inventions will be determined in accordance with 37 CFR part 401, “Rights to Inventions made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.

Notices a party is required or elects to deliver will be in writing and delivered personally, by facsimile or electronic mail (with delivery confirmed), or by a recognized overnight courier service or by United States mail, first-class, certified or registered, postage prepaid, return receipt requested, to the other party at its address set forth in the CPS or to such other address as such party may designate by notice given pursuant to this section.

4.23. Acknowledgement. Contractor certifies under penalties of perjury (see Section 6109 of the IRS Code for further penalties) that: (1) the taxpayer ID number (TIN) provided to University is correct; (2) it is not subject to back up withholding because (a) it is exempt from such withholding, (b) it has not been notified by the IRS that it is subject to backup withholding as a failure to report all interest or dividends, or (c) the IRS has notified it that it is no longer subject to backup withholding; (3) it is a U.S. person (including a U.S. resident alien); and (4) it has full authority to execute this Agreement and perform its obligation under this Agreement. Contractor must cross out and initial item (2) and notify University in writing at Purchasing Services, 1300 South Second Street, Suite 277, Minneapolis, MN 55454-1082, purchase@umn.edu, if Contractor has been notified by the IRS that it is currently subject to backup withholding because of under reporting interest or dividends on its tax return. Contractor must cross out item (3) above if it is not a U.S person for tax purposes or U.S. resident alien.

Notwithstanding this certification, Contractor acknowledges that University may withhold amounts for federal backup withholding if such withholding is required by written notice from the Internal Revenue Service issued subsequent to the effective date of this Agreement.
4.24. **University Contract Number.** Contractor will place University Contract Number on any packages, invoices, packing slips, notices and correspondence related to this Agreement.

4.27. **Fund Availability; Federal Funds Contingency.** University’s financial obligations payable after the current fiscal year are contingent upon funds for that purpose being appropriated, budgeted and otherwise made available. If this Agreement is funded in whole or in part with federal funds, University’s payment obligations are subject to and contingent upon the continuing availability of those funds for the purposes hereof.

4.28. **Severability.** If any provision of this Agreement is invalid or unenforceable with respect to any party, the remainder of the Agreement, or the application of such provision to persons other than those as to which it is held invalid or unenforceable, will not be affected and each provision of the remainder of the Agreement will be valid and be enforceable to the fullest extent permitted by law.

4.29. **Survivability.** The terms and conditions of this Agreement that by their sense and context are intended to survive the performance thereof will so survive the completion of performance and termination of this Agreement, including the making of any and all payments hereunder.

4.30. **Gramm-Leach-Bliley Security Compliance.** If the Services are subject to the Gramm-Leach-Bliley Act, Contractor will implement and maintain ‘appropriate safeguards,’ (see § 16 C.F.R. § 314 (the ‘FTC Rule’)), for all ‘customer information’ owned by University and delivered to Contractor pursuant to this Agreement. Contractor will assist and cooperate in University’s efforts to ensure and confirm Contractor’s compliance with the terms of this section, including, without limitation: (i) permitting University employees or representatives to inspect Contractor’s business records, procedures, rules and practices pertinent to the ‘safeguards’; and (ii) making available to University employees or representatives Contractor’s employees or representatives who have authority to maintain or are knowledgeable of such ‘safeguards’. Contractor will promptly notify University in writing, of each instance of: (a) unauthorized access to or use of customer information that could result in substantial harm or inconvenience to a customer of University; or (b) unauthorized disclosure, misuse, alteration, destruction or other compromise of customer information. Within thirty (30) days of the termination or expiration of this Agreement, Contractor will destroy and will cause each of its agents to destroy all records, electronic or otherwise, in its or its agent’s possession that contain customer information and will deliver to University a written certification of the destruction. Contractor will defend, indemnify and hold University and its regents, employees, agents and contractors harmless from any and all claims, demands, suits, actions, liabilities and expenses (including reasonable attorneys’ and investigative fees) arising out of an act or omission by Contractor or its agents and contractors that results in: (x) a person having access to or use of customer information in violation of law or this Agreement; or (y) the misuse, alteration, destruction or material alteration of customer information in violation of law or this Agreement. Contractor will reimburse University for its direct damages (e.g., costs to reconstruct lost or altered information) arising out of an act or omission by Contractor or its agents and contractors that results in: (a) a person having access...
to or use of customer information in violation of law or this Agreement, or (β) misuse, alteration, destruction or material alteration of customer information in violation of law or this Agreement.
