

Amendments to the Mobility, Access, and Transportation Insecurity Program RFP

Amendments 1 and 2 published Feb. 14, 2024

Amendment 1: Pg 14 of the RFP PDF. Add the bolded text to the following sentence in the eligibility > team structure section “Nonprofit or community-based organization participants must represent at least 40% of the **phase 1** budget.” (date amended)

Amendment 2: Pg 17 of the RFP PDF. Update language in Section 4. Proposal requirements > 3. Budget and Budget Justification > add bolded language and remove strikethrough

Other eligible spending includes but is not limited to:

- **Support for community engagement activities and support for individual participants. Community engagement support may include professional contracts for items such as translation, facilitation, or other engagement services. Community support options (stipends, gift cards, childcare, etc.) should be proposed by applicants as a part of their budget. If selected, MATI program team and applicants will discuss and create a plan for community participation support that adheres to allowable uses of federal funds. ~~Community honoraria, reimbursement or food for engagement with community members, or translation services during planning for a potential demonstration.~~**
